4 What will you have to pay us for our services?

Investment

You will pay for our services on the basis of fee, commission and/or a combination of fee and commission. We will discuss your payment options with you and answer any questions you have. We will not charge you until we have agreed with you how we are to be paid.

Paying by fee

Whether you buy a product or not, you will pay us a fee for our advice and services, which will become payable on issue of our written recommendations. If we also receive commission from the product provider when you buy a product, we will pass on the full value of that commission to you in one or more ways. For example, we could reduce our fee; or reduce your product chargers; or increase your investment amount; or refund the commission to you.

a) Hourly Rate

We will confirm the rate we charge in writing before beginning work. We will tell you if you have to pay VAT.

Our typical charges are:

Principal/Director/Partner/Manager	£150	Per hour
Financial adviser	£ 90	Per hour
Administration	£ 30	Per hour

You may ask us for an estimate of how much in total we might charge. You may also ask us not to exceed a given amount without checking with you first.

b) Lump sum

We will confirm what we will charge you in writing before beginning work. We will tell you if you have to pay VAT.

Our typical charges are:

Investments up to	£100,000	4.5 %
Investments above	£100,001	4%

For example £100,000 investment would be £4,500 and an investment of £200,000 would be £8,000.

c) Reviews

We will confirm what we will charge you in writing before beginning work. We will tell you if you have to pay VAT.

Our typical charges are:

Initial review:	£150
Annual review:	£150

You may ask us for an estimate of how much in total we might charge. You may also ask us not to exceed a given amount without checking with you first.

Paying by commission (through product charges)

If you buy a financial product, we will normally receive commission on the sale from the product provider. Although you pay nothing to us up front, that does not mean our service is free. You still pay us indirectly through product charges. Product charges pay for the product provider's own costs and any commission. These charges reduce the amount left for investment. If you buy direct, the product charges could be the same as when buying through an adviser, or they could be higher or lower.

The amount of commission we receive will vary depending on the amount you invest and (sometimes) how long you invest or your age.

For example:

- If you invest £7,000 in an individual savings account (ISA) we would receive commission of 3% of the amount invested (£210 and 0.5% of the value of the fund (roughly £35 every year).
- If you pay £100 a month into a personal pension (with a term of 25 years) then we would receive commission of £600.
- A whole of life policy would be dependent on age, sex and whether you are a smoker or non smoker.

We will tell you how much the commission will be before you complete an investment, but you may ask for this information earlier.

The commission includes payment for ongoing service, which is limited to annual valuations and discussion at your request. Any additional advice or transactions will be subject to a further charge which will be detailed at the time.

Paying by a combination of fee and commission (through product charges)

We will charge you a combination of fees and commission. The actual amounts will depend on the service provided to you, but will be in line with the arrangements set out in the sections headed “**Paying by fee**” and “**Paying by commission (through product charges)**”

Insurance

- A fee of £500 may be payable when you apply for your non investment insurance. We will also be paid a marketing allowance from the provider
- A fee of £1,500 for advising and arranging a non-investment insurance contract. Any commission due to us from the product provider will be refunded to you.

You will receive a quotation which will tell you about any other fees relating to any particular insurance policy.

Mortgages

- No fee. We will be paid by commission from the lender.
- A fee of £500 may be payable when you apply for a mortgage. We will also be paid commission from the lender.
- A fee of £1,500 when you apply for a mortgage. Any commission or fee that we receive from the lender will be refunded to you.

You will receive a *key facts illustration* when considering a particular mortgage, which will tell you about any fees relating to it.

Refund of fees

If we charge you a fee, and your mortgage does not go ahead, you will receive:

- A full refund if the lender rejects your application.
- No refund if you decide not to proceed.
